

Introducing our 'Plant Communities Collections'

In an effort to help you get started planting with native plants, we now offer six plant community collections. Each collection contains 18 – 3.5" plants (one flat.)

Plants are adapted to the specific environmental characteristics of their host habitats including sun, rain, elevation, wind, soil type, aspect, and slope. The collection of plants within a specific habitat is referred to as a '**community.**' We recommend planning a garden with a community of companion plants that require similar environmental characteristics.

Try several collections to create different plant communities in your landscape or garden.

<p><u>Montana Dry Prairie</u> 8-12" rain, full sun</p> <p>3 - Idaho Fescue 2 - Blue Grama 3 - Bluebunch Wheatgrass 3 - Prairie June Grass 2 - Blue Flax 2 - Prairie Coneflower 1 - Penstemon 1 - Fleabane 1 - Silvery Groundsel</p>	<p><u>Missoula Meadow</u> 12-16" rain, full sun</p> <p>3 - Idaho Fescue 1 - Rough Fescue 2 - Bluebunch Wheatgrass 2 - Prairie June Grass 1 - Harebells 1 - Clarkia 1 - Richardson's Needlegrass 1 - Fringed Sage 1 - Blue Flax 1 - White Prairie Aster 1 - Fleabane 1 - Penstemon 1 - Yarrow 1 - Goldenrod</p>	<p><u>Missoula Wildflower Garden</u> 12-16" rain, full sun to partial shade</p> <p>2 - Blanketflower 1 - Goldenrod 1 - Smooth Blue Aster 1 - Yarrow 1 - Pearly Everlasting 2 - Clarkia 1 - Wild Geranium 1 - Wild Bergamot 2 - Blue-eyed Grass 2 - Penstemon 2 - Hairy Golden Aster 2 - Harebell</p>

Notes:

- It may be necessary to substitute plants as the season progresses. We will do this in consultation with you.
- We also carry a variety of shrubs available in 1 gallon pots that belong to each of these plant communities. Purchased in addition to a plant community, shrubs are available at a 5% discount.

Each Community Collection contains 18 potted plants for only \$65.⁹⁹ (plus shipping.)
